

**ANDRÉS CÁRDENAS, MD, MMSc,
PhD, AGAF, FAASLD**

Date prepared: July / 2020

Hospital Clinic
Villaroel 170, Esc 3-2
Barcelona 08036, Spain

PRESENT APPOINTMENTS:

2016 - Staff Member & Consultant
Institut Clinic de Malalties Digestives i Metaboliques
Hospital Clinic, Barcelona, Spain
Associate Professor of Medicine
University of Barcelona, Spain

PREVIOUS APPOINTMENTS:

2011 - 2016 Senior Specialist – Hospital Clinic, University of Barcelona
Institut Clinic de Malalties Digestives i Metaboliques
Hospital Clinic, University of Barcelona, Spain

2006 - 2011 Staff Specialist – Hospital Clinic, University of Barcelona
Institut Clinic de Malalties Digestives i Metaboliques
Hospital Clinic, University of Barcelona, Spain

2004 - 2006 Staff Physician – Division of Gastroenterology and Hepatology
Hospital Pablo Tobón Uribe. Medellín, Colombia

2003 - 2004 Attending Physician – Liver Center / Division of Gastroenterology and Hepatology. Beth Israel Deaconess Medical Center and Harvard Medical School. Boston, Massachusetts

1998 Medical Staff. East Boston Neighborhood Health Center., Urgent Care. Boston
Massachusetts

1994 -1995 Medical Staff - Rural Year. Colombian Regional Police Hospital. Medellín, Colombia
(Government requirement of one year of social service in family practice.)

EDUCATION:

- 2015 Doctoral Thesis (PhD) (Summa Cum Laude): “Prognostic value and treatment of hyponatremia in patients with advanced cirrhosis and acute on chronic liver failure”
University of Barcelona.
- 2003 Advanced Endoscopy Fellowship - Division of Gastroenterology, Beth Israel Deaconess Medical Center and Harvard Medical School. Boston, Massachusetts
- 2003-2004 Advanced (AASLD) Hepatology Fellowship - Division of Gastroenterology, Beth Israel Deaconess Medical Center and Harvard Medical School. Boston, Massachusetts
- 2000 - 2003 Fellowship - Gastroenterology and Hepatology. Beth Israel Deaconess Medical Center and Harvard Medical School. Boston, Massachusetts
- 2001 - 2003 Masters in Medical Science (MMSc) - Clinical Investigator Training Program
Harvard Medical School and Massachusetts Institute of Technology. Boston, Massachusetts
- 1998 - 2000 Research Fellowship - Hepatology. Liver Unit - Hospital Clinic of Barcelona
University of Barcelona. Barcelona, Spain
- 1995 - 1998 Internship and Residency - Internal Medicine.
Boston University Residency Program in Internal Medicine
Boston City Hospital, Boston University Medical Center and Boston Veterans Hospital
Boston, Massachusetts
- 1988 -1993 Medical School Degree (MD) – CES University, Medellin, Colombia
Medical Degree: December 9, 1993. Medellin, Colombia

FACULTY & ACADEMIC APPOINTMENTS:

- 2019- Accredited Member - Liver and Digestive Diseases Networking Biomedical Research Center-CIBEREHD, Spain
- 2019- Accredited Investigator - Institut d'Investigacions Biomèdiques August Pi-Sunyer (IDIBAPS), Spain
- 2018- Associate Professor of Medicine – Department of Medicine, University of Barcelona
- 2018- Faculty Member and Adjunct Professor – Master of Hepatology. University of Alcalá, Madrid, Spain
- 09-12/2017 Visiting Lecturer of Medicine – Department of Medicine and Division of Gastroenterology and Hepatology, Beth Israel Deaconess Medical Center and Harvard Medical School, Boston
- 08/2016 Visiting Professor - Department of Medicine, CES University. Medellin, Colombia
- 2015 - Honorary Member - Department of Medicine, University of Antioquia. Medellin, Colombia

- 07-08/2013 Visiting Lecturer of Medicine – Department of Medicine and Division of Gastroenterology and Hepatology, Beth Israel Deaconess Medical Center and Harvard Medical School, Boston
- 2013-2018 Clinical Professor – Hospital Clinic, Department of Medicine, University of Barcelona
- 2012 - Faculty Member and Adjunct Professor – Masters Program of Advanced Therapeutic Endoscopy - Hospital Clinic, University of Barcelona
- 2008 - Faculty Member and Adjunct Professor– Masters Program of Research in Liver Diseases- Hospital Clinic, University of Barcelona
- 2004 - Visiting Professor of Medicine- University of Antioquia. Medellin, Colombia
- 2003 - 2004 Instructor in Medicine- Harvard Medical School
- 2002 - 2003 Patient Doctor Relationship Course Instructor. Harvard Medical School
- 2000 - 2004 Medical School Course Instructor on Human Systems - Module 11A Gastrointestinal Pathophysiology Course - Harvard Medical School
- 1997 - 1998 Teaching Associate - Department of Medicine. Boston University School of Medicine

HONORS/AWARDS:

- 2019 Distinguished Career Recognition Award – Colombian Association of Hepatology
- 2017 Grant Award - Bolsa de Ampliación de Estudios / Instituto Carlos III. Ministerio de Economía, Industria y Competitividad
- 2017 Grant Award - Bolsa de Ampliación de Estudios. Sociedad Catalana Digestología
- 08-12/2017 International Sabbatical Award - Hospital Clinic, Barcelona
- 2015 Fellow of the American Association for Study of Liver Disease (FAASLD)
- 2014 Boston Award for Best Colangioscopy Video in Spain (May 2014)
Sponsored by Boston Scientific Corporation -Spain (www.premioboston.es).
- 2013 Liver Institute and Foundation for Education and Research (LIFER) Visiting Scholar Award at Beth Israel Deaconess Medical Center and Harvard Medical School
- 2012 Fellow of the American Gastroenterological Association (AGAF)
- 2004-2005 Recipient of the Emerging Leaders Award for Young Investigators in Gastroenterology Sponsored by AstraZeneca Pharmaceuticals, Sweden.
- 2004 Recipient of the European Association for Study of Liver Disease Full Bursary Award for 2004 EASL Meeting, Berlin, Germany.
- 2003-2004 Recipient of the Advanced Hepatology Schering Grant. Sponsored by The American Association of Study of Liver Diseases.

- 2002 Recipient of The Research Excellence in Gastrointestinal and Liver “REGAL Award” Sponsored by The University of Kansas Office of Continuing Education.
- 2001 - 2003 Recipient of The Pfizer Corporation Award for Clinical Investigation. Clinical Investigator Training Program - Harvard Medical School and Massachusetts Institute of Technology.
- 1992 Honorary Exchange Student. International Exchange Program Boston University School of Medicine and Affiliated Hospitals.

LEADERSHIP - COMMITTEES

- 2022-2024 Elected Chair - Special Interest Group in Acute on Chronic Liver Disease of the American Association for the Study of Liver Disease (AASLD)
- 2020- Elected Regional Council Member- International Association for the Study of the Liver (IASL)
- 2020-2022 Elected Member- American Gastroenterology Institute (AGA) Publications Committee
- 2020-2021 Elected Vice-Chair- Special Interest Group in Acute on Chronic Liver Disease of the American Association for the Study of Liver Disease (AASLD)
- 2018-2020 Elected Secretary - Special Interest Group in Acute on Chronic Liver Disease of the American Association for the Study of Liver Disease (AASLD)
- 2018-2021 Member / EASL Educational Committee - European Association for the Study of Liver Disease
- 2018 Member/ Scientific Committee
XXV Congress of the Latin-American Association for the Study of the Liver (ALEH)
Punta Cana, Dominican Republic. September 20-23, 2018
- 2018-2021 Elected Member / Scientific Committee - Catalan Society of Gastroenterology (Sociedad Catalana de Digestologia)
- 2017- Abstract Review Chair - The Liver Meeting, American Association for the Study of Liver Disease (AASLD) - Portal Hypertension and Other Complications of Cirrhosis: Varices and Bleeding (RO3)
- 2017-2018 Member - International Committee of the American Society of Gastrointestinal Endoscopy (ASGE)
- 2016- Abstract Review Chair - Digestive Disease Week, American Association for the Study of Liver Disease (AASLD) - Portal Hypertension and Other Complications of Cirrhosis
- 2016-2018 Elected Member / Steering Committee - Special Interest Group in Acute on Chronic Liver Disease of the American Association for the Study of Liver Disease (AASLD)
- 2016-2019 Member - Annual Meeting Education Committee of the American Association for the Study of Liver Disease (AASLD)
- 2016- Member - Abstract review committee of the United European Gastroenterology Week Organization - ERCP section

- 2015-2017 *Elected Member* - Nominating Committee of the Liver and Biliary Section of American Gastroenterological Institute (AGA).
- 2015 *Member*- Independent Data Monitoring Committee of the L-PLUS 2 study: lusutrombopag for the treatment of thrombocytopenia in patients with chronic liver disease undergoing elective invasive procedures. Shionogi, UK
- 2014 - 2017 *Elected Member* - Physicians Promotions Committee of the Hospital Clinic, Barcelona.
- 2014 - *Member* - Permanent Council and Governing Board of the Latin-American Society for the Study of Liver Disease (ALEH)
- 2014 - 2017 *Member* - Research Awards Panel of the American Gastroenterology Institute (AGA)
- 2013 - 2016 *Elected Member / Steering Committee* - Special Interest Group in Portal Hypertension of the American Association for the Study of Liver Disease (AASLD)
- 2010- *Member* - Abstract review committee of the American Gastroenterological Institute "Complications of Cirrhosis and Portal Hypertension" section.
- 2010 -2012 *Member* - Research and Career Development Awards Committee for the American Association for the Study of Liver Disease (AASLD).
- 2008-2009 *Member* - Independent Data Monitoring Committee of the ELEVATE Study (Eltrombopag to Reduce the Need for Platelet Transfusion in Thrombocytopenic Subjects with Chronic Liver Disease Undergoing Elective Invasive Procedures), GlaxoSmithKline, UK.
- 2008-2011 *Member* - Abstract review committee of the American Association for the Study of Liver Disease (AASLD) for the "Portal Hypertension and Other Complications of Cirrhosis - Varices and Bleeding; Ascites and other Complications; Portal Hypertension: Experimental" section.
- 2007- *Member* - Special Interest Group in Portal Hypertension and Liver Transplantation of the American Association for the Study of Liver Disease (AASLD)
- 2005-2007 *Member* - Practice Guidelines Committee for the American Association for the Study of Liver Disease (AASLD)

COURSE / SYMPOSIUM ORGANIZER

- 2008 *Course Director* - Single Topic Conference of the American Association for the Study of Liver Disease. "Circulatory and renal failure in cirrhosis: Mechanisms and emerging therapies". Atlanta, September 5-7, 2008
- 2010 *Course Director* - European Association for the Study of Liver Disease School of Hepatology. "Endoscopy and Liver Disease", Barcelona, Spain, December 9-10, 2010
- 2015 *Symposium Director* - European Association for the Study of Liver - International Liver Congress 2015. "LIVE session- Interventions in Liver Disease", Vienna, Austria, April 24, 2015
- 2016 *Course Director* - AASLD - ALEH Research Methodology Workshop, ALEH Meeting Santiago de Chile, September 29, 2016

- 2016 *Course Director* – Hypercoagulability in Cirrhosis: From the Sinusoid to the Portal Vein. SIG in Portal Hypertension, AASLD. Boston November 13, 2016
- 2017 *Course Co-Director* – Portal Vein Thrombosis in Cirrhosis: Causes and Consequences. AASLD Webinar. (liverlearning.aasld.org) February 28, 2017
- 2017 *Chair*. Skills Learning Center in Endoscopy. Invasive Methods: Evaluation and Procedures. The International Liver Congress- EASL 2017, Amsterdam April 21 and 22, 2017
- 2017 *Chair*. AASLD / DDW Clinical Symposium: Medical and Surgical Treatments of Portal Hypertension. May 9, 2017
- 2018 *Chair* - Skills in Hepatology: Challenging issues in patients with liver disease undergoing invasive procedures. EASL International Liver Congress, Paris, April 11 2018
- 2018 *Chair*. Skills Learning Center in Endoscopy. Invasive Methods: Evaluation and Procedures. The International Liver Congress- 2018, Paris, April 13, 2018
- 2018 *Chair*. AGA-DDW Clinical Symposium: Complications of Cirrhosis. June 3, 2018
- 2018 *Course Director* – II AASLD - ALEH Research Methodology Workshop, XXV ALEH Meeting Punta Cana. Dominican Republic, September 22, 2018
- 2019 *Chair* - Skills Learning Center in Endoscopy. EASL International Liver Congress, Vienna, April 11 & 12, 2019
- 2020 *Course Director* – III AASLD - ALEH Research Methodology Workshop, XXVI ALEH Meeting. 2021

A multicenter analysis of the role of prophylactic transfusion of blood products in patients with cirrhosis and esophageal varices undergoing endoscopic band ligation. J Hepatol 2020 In press

Laboratory and Other Research Supervisory and Training Responsibilities

- 2009-2012 Domingo Balderramo MD Thesis Supervised
Title: New aspects in the endoscopic management of biliary complications associated with liver transplantation.
University of Barcelona, Spain
- 2012-2018 Carlos Leal MD Thesis Supervised
Title: Adverse of ERCP in patients with cirrhosis and liver transplant recipients.
University of Barcelona, Spain
- 2016-2020 Alejandro Fernandez-Simon, MD, Ms.
Title: The modern management of bile leaks and biliary sphincter disorders after liver transplantation.
University of Barcelona, Spain

Formally Supervised Trainees

- 2009-2011 Domingo Balderramo, MD-
Staff Physician and Instructor, Gastroenterology Department, Hospital Privado-Centro Médico de Córdoba, Córdoba, Argentina
Research Project: Endoscopic therapy of biliary complications after liver transplantation
Published six papers (*GI Endoscopy, Liver transplantation, Transpl Int, Gastroenterol Hepatol*)
- 2010 Leyla Nazal, MD.
Staff Physician, Hospital Fuerza Aerea, Chile.

Research Project: Prognostic markers for patients with ascites
Published 1 paper (*Disease Markers*)

- 2010-11 Oriol Sendino, MD.
Staff Physician, Hospital Clinic, Barcelona
Research project: Bile leaks after liver transplantation
Published four papers (*GI Endoscopy, Liver transplantation, UEG Journal*)
- 2011 Carmen Gioconda Zuramay., MD.
Staff Physician,
Hospital Dr. Miguel Pérez Carreño, Venezuela
Clinical training
- 2012 Carlos Leal, MD.
Staff Physician. Hospital de Vic, Catalunya, Spain
Research project: Complications of ERCP in patients with cirrhosis
Published three papers (*Liver transplantation, Am J Gastroenterol*)
- 2013 Diego Royg, MD.
Staff Physician. Hospital Escuela de Agudos Dr. Ramon Madariaga, Argentina
Research project: ERCP for biliary anastomotic strictures in liver transplant recipients.
- 2012-13 Alexandra Aldana, MD.
Staff Physician- Pediatric Gastroenterologist, Hospital Sulaiman Al Habib Riyahd, Saudi Arabia,
Research Project: Precut papillotomy after failed ERCP
- 2013 -14 Carmen de Olival, MD.
Staff Physician. Hospital Domingo Luciani, Caracas, Venezuela
Clinical training.
- 2013 -14 Alejandro Fernandez-Simon, MD, Ms.
Staff Physician. Hospital Moises Broggi, Barcelona
Clinical Training and Research: SOD and bile leaks after liver transplantation
Published 1 paper (*UEG Journal*)
- 2014 Milena Socarras, MD. Staff Physician, Clinica Chia and Nueva EPS, Bogotá, Colombia
Clinical Training.
- 2015 Julio Mertenat, MD. Staff Physician, Sanatorio Británico de la Ciudad de Rosario y Hospital Español de Rosario; Argentina
Clinical Training.
- 2015-17 Karina Chavez-Rivera, MD, Ms.
Staff Physician. Hospital Clinic, Barcelona,
Clinical Training and Research: Role of MRCP vs ERCP after liver transplantation
- 2016 Maria Moris, MD, PhD.
Staff Physician Hospital Marques de Valdecilla, Santander, Spain
Clinical Training
- 2017-18 Geovanny Hernandez, MD.
Staff Physician Hospital Fundacion Cardioinfantil, Santafe de Bogotá, Colombia
Clinical Training and Research: Bleeding events after endoscopic band ligation

2015-17 Adria Carpio, MD, Ms.
Staff Physician. Hospital Clinic, Barcelona,
Clinical Training and Research: Cholangioscopy for biliary complications after liver
transplantation

GRANTS- RESEARCH PROJECTS

Past

- 1998-2000 Renal failure and gastrointestinal bleeding in cirrhosis
Grant from the Fondo de Investigacion Sanitaria (FIS/00/0616) and Direccion General de Investigacion Cientifica y Tecnica (SAF99-0016), SPAIN
PI: Dr Pere Gines / **Role: Co-Investigator**
The main goal of this project was to understand the role of gastrointestinal bleeding on renal function in patients with cirrhosis. I wrote the protocol and performed all data collection
- 1998-2001 Vasoconstrictor therapy for renal failure in cirrhosis
Grant -Marato Fundacio´ TV3 (U-2000-TV2710), Fondo de Investigacion Sanitaria (FIS 00/0616), Direccion General de Investigacion Cientifico y Tecnica (SAF 2001/030)
PI: Dr Pere Gines / **Role: Co-Investigator**
The aim of this project was to evaluate the effects of terlipressin, a powerful vasoconstrictor, on renal function of patients with cirrhosis and hepatorenal syndrome. I helped write the protocol and performed data collection in patients
- 1999-2002 Carbon monoxide levels in cirrhosis
Grant - Fondo de Investigacion Sanitaria (FIS 00/0616), Instituto de Salud Carlos III (CO3/2).
PI: Dr Pere Gines / **Role: Co-Investigator**
The major goal in this project was measure carbon monoxide production in patients with cirrhosis with and without ascites and in patients with spontaneous bacterial peritonitis. I designed and wrote the protocol and performed the data collection.
- 2001-2003 Nitric oxide inhibition in cirrhosis
Grant RR 01032 to the Beth Israel Deaconess Medical Center General Clinical Research Center from the National Institutes of Health.
Role: Principal Investigator
The main goal of this project was to evaluate the systemic, hemodynamic, and renal effects of Nitric Oxide inhibition in patients with advanced cirrhosis and fluid retention. I designed and wrote the protocol, performed measurements and collected data in all patients.
- 2008-2011 Therapy of acutely bleeding esophageal varices: medical optimization of therapy in complex scenarios
Grant: Fondo de Investigación Sanitaria (PI080504)
PI: Dr Angels Escorcell / **Role: Co-Investigator**
The objective of this multicenter study project was to evaluate rescue therapies for patients with acute variceal bleeding that failed endoscopic therapy. I helped design and write the protocol, performed procedures and measurements in enrolled patients.

- 2007-2014 Noninvasive endoscopic measurement of portal pressure pre and postprandially in cirrhotic patients after octreotide vs placebo
Investigator Initiated - Institut d'Investigacions Biomèdiques August Pi-Sunyer (IDIBAPS), Ciber de Enfermedades Hepáticas y Digestivas (CIBERHED), Barcelona, Spain
PI: Dr Jaime Bosch/ **Role: Co-Investigator**
The objective of this study was to evaluate the role of the endoscopic non-invasive measurement of portal pressure in patients with cirrhosis. I performed all procedures and helped with data collection in enrolled patients
- 2012-2014 Hyponatremia in acute on chronic liver failure: an analysis of the Canonic study
Unrestricted grant from Grifols
Role: Principal investigator
Amount: non-disclosed
The objective of this ancillary study of the European Association for the Study of the Liver-chronic liver failure (EASL-CLIF) Consortium was to evaluate the prevalence, incidence, risk factors and outcome of hyponatremia in patients with ACLF. I performed the data collection and analysis from the main database of the patients enrolled in the CANONIC Study.
- 2009-2011 Endoscopic, histological and molecular features of anastomotic biliary strictures in liver transplant recipients
Investigator Initiated - Institut d'Investigacions Biomèdiques August Pi-Sunyer (IDIBAPS), Ciber de Enfermedades Hepáticas y Digestivas (CIBERHED), Barcelona, Spain
Role: Principal Investigator
The objective of this project was to evaluate the role of colangioscopy in liver transplant recipients with biliary strictures. I designed and wrote the protocol; performed the procedures and biopsies in all enrolled patients.
- 2008-2012 Endoscopy for Biliary Complications after liver transplantation
Investigator Initiated - Institut d'Investigacions Biomèdiques August Pi-Sunyer (IDIBAPS), Ciber de Enfermedades Hepáticas y Digestivas (CIBERHED), Barcelona, Spain
Role: Principal Investigator
The objective of this project was to evaluate the outcome of patients with biliary complications after liver transplantation that undergo endoscopic therapy (success, outcomes and complications). I designed and wrote the protocol, performed procedures and data collection in all enrolled patients.
- 2015-2018 Thromboelastography in patients with acute on chronic liver failure
Investigator Initiated - Institut d'Investigacions Biomèdiques August Pi-Sunyer (IDIBAPS), Ciber de Enfermedades Hepáticas y Digestivas (CIBERHED), Barcelona, Spain
Role: Principal - Co-Principal Investigator
The objective of this project is to study thrombin generation in patients with decompensated cirrhosis and acute on chronic liver failure. I helped design the protocol; and performed data collection in enrolled patients.
- Current**
- 2017-2021 LIVERHOPE: Simvastatin and Rifaximin as a new therapy for patients with decompensated cirrhosis. Code: H2020-SC1-2016-RTD/731875.
PI: Dr Pere Gines / **Role: Co-Investigator**
Funding Agency: European Commission- H2020
Amount: 5,998,800.39 €

The objective of this project is to evaluate the role of these drugs on outcome of patients with decompensated cirrhosis. I helped design the protocol.

- 2017-2021 The role of a digital cholangioscopy in anastomotic biliary strictures of liver transplant recipients. Multicenter study. Code: E7114
Role: Principal Investigator (Spain)
Funding: Boston Scientific Corporation
Amount: non-disclosed
The objective of this project is to evaluate the role of a new digital colangioscopy in liver transplant recipients with biliary strictures.
- 2019-2022 Novel strategies for identifying therapeutic targets of biliary fibrosis of the biliary anastomosis stenosis in liver transplant recipients. Code : P119/00752
Role: Principal Investigator
Funding Agency: Fondo de Investigación Sanitaria – Instituto Carlos III. Ministerio de Ciencia y Innovación y Universidades, España
Amount 87.120,00 €
The objectives of this project are to determine gene expression of TGF-B1 from colangioscopy samples and from surgical bile duct samples of patients that undergo surgery for BAS as a potential therapeutic target for local therapy at the BAS and determine if the gene expression of TGF-B1 is helpful in predicting outcome and response to endoscopic therapy.
- 2019-2021 Hemodynamic profile of terlipressin and octreotide in patients with cirrhosis and portal hypertension. A randomized, single blinded clinical trial. INFUTER
Role: Co-Investigator
Funding: Mallinckrodt Pharmaceuticals.
EudraCT No: 2019-004328-39
Amount: 325.600,00€
The objectives of this project are to compare the pharmacodynamic effect of a single administration of terlipressin or octreotide on HVPG in patients with cirrhosis and portal hypertension and also, to compare the safety of a single administration of terlipressin and octreotide in patients with cirrhosis and portal hypertension

AD HOC REVIEWER FOR ABSTRACTS OF THE FOLLOWING MEDICAL SOCIETIES:

American Gastroenterological Association - AGA
 American Association for the Study of Liver Disease - AASLD
 European Association for the Study of the Liver -EASL
 United European Gastroenterology Week - UEGW
 Catalan Society of Gastroenterology

BOARD CERTIFICATIONS:

1995, 1996	United States Medical Certifications, USMLE (Parts 1, 2 & 3).
2004, 2014	Board Certified in Gastroenterology and Hepatology by the American Board of Internal Medicine Diplomate of the American Board of Internal Medicine.
2002	Board Certified in Internal Medicine by the American Board of Internal Medicine Diplomate of the American Board of Internal Medicine.

MEDICAL LICENSES:

1998-present	Full license, Massachusetts, United States
1998-present	Full license, Spain
1994-present	Full license, Colombia

PERSONAL DATA & LANGUAGES:

Place and Date of Birth: Colombia, October 22, 1969.
Citizenships: Colombia and Spain
Marital Status: married / 1 child
Languages: English (native/fluently) and Spanish (native/fluently)

ACTIVE MEMBERSHIPS:

1996 - Massachusetts Medical Society - MMS
1999 - International Ascites Club - IAC
2000 - American Gastroenterological Association - AGA
2000 - American Association for the Study of Liver Disease - AASLD
2001 - European Association for the Study of the Liver -EASL
2014 - Catalan Society of Gastroenterology
2016 - Latin-American Association for the Study of Liver Disease - ALEH
2016 - Spanish Society for the Study of Liver Disease - AEEH

INVITED PRESENTATIONS AND LECTURES:

National & International

- 2000 Pathogenesis of fluid and electrolyte imbalance in cirrhosis / Invited Lecture
EDEMA: The Telesio Conference 2000 - Universita Della Calabria, Italy
- 2001 The pathophysiology and treatment of ascites / Invited Lecture
Thorndike Lecture, Department of Medicine
Beth Israel Deaconess Medical Center, Harvard Medical School
- 2002 Renal Failure after Upper Gastrointestinal Bleeding in Cirrhosis / Invited Lecture
Regal Award Symposium, Laguna Niguel, California, USA
- 2003 Ascites and Spontaneous Bacterial Peritonitis/ Invited Lecture
GI lecture Series
Beth Israel Deaconess Medical Center, Harvard Medical School
- 2003 Hepatorenal Syndrome/ Invited Lecture
Department of Internal Medicine
West Roxbury Veterans Administration Hospital, Harvard Medical School
- 2003 Increased Levels of Carbon Monoxide in Cirrhosis
HST Forum 2003
Harvard-MIT Division of Health Sciences and Technology
Boston. Massachusetts.
- 2004 Management of Ascites and Hepatorenal Syndrome/ Invited Lecture
Department of Medicine
Beth Israel Deaconess Medical Center, Harvard Medical School
- 2003 Diagnostic Tests in Hepatology / Invited Lecture
1st Gastroenterology and Hepatology Symposium, Instituto de Ciencias de la Salud CES,
Medellín, Colombia
- 2003 Evaluation and management of patients with cirrhosis and ascites / Invited Lecture
1st Gastroenterology and Hepatology Symposium, Instituto de Ciencias de la Salud CES,
Medellín, Colombia
- 2003 Update in viral hepatitis / Invited Lecture
1st Gastroenterology and Hepatology Symposium, Instituto de Ciencias de la Salud CES,
Medellín, Colombia
- 2004 Boston International Live Endoscopy Course/ Invited Faculty
Harvard Medical School, Boston
- 2004 Prevention of Hepatitis B recurrence after liver transplantation / Invited Lecture
XVIII Meeting of the Colombian Academy of Internal Medicine, Bogota, Colombia
- 2004 Increased vascular permeability as a complication of portal hypertension in
CD39/NTPDASE1 null mice / Invited Lecture
Emerging Leaders in Gastroenterology Award Programme, Gothenburg, Sweden.

- 2004 Hepatorenal Syndrome / Invited Lecture
5th Course of the Academy of Gastroenterology of Antioquia, Medellín, Colombia.
- 2005 Portal Hypertension / Invited Lecture
9th Course of Gastroenterology and Hepatology of the “Clínica Reina Sofia”, Bogotá, Colombia.
- 2005 Management of Variceal Bleeding / Invited Lecture
Schering Hepatology Symposium, Bogotá, Colombia.
- 2005 Evaluation and Management of Cirrhotic Ascites / Invited Lecture
3rd Colombian and Venezuelan Hepatology Congress, Cartagena, Colombia.
- 2005 Ascites and Spontaneous Bacterial Peritonitis / Invited Lecture
Clinical Management Workshop – EM -24
The Liver Meeting of American Association for the Study of Liver Disease, San Francisco, CA.
- 2006 How to Publish in Gastroenterology and Hepatology Journals / Invited Speaker
Controversies in Hepatology, Colombian Association for the Study of Liver Disease. Bogotá, Colombia.
- 2006 Refractory Ascites and Hepatorenal Syndrome / Invited Lecture
4th Colombian and Venezuelan Hepatology Congress
Colombian and Venezuelan Association for the Study of Liver Disease
Caracas, Venezuela.
- 2006 Indications of Liver Transplantation / Invited Lecture
4th Colombian and Venezuelan Hepatology Congress
Colombian and Venezuelan Association for the Study of Liver Disease
Caracas, Venezuela
- 2006 Hepatopulmonary Syndrome: Is medical therapy possible? / Invited Lecture
Postgraduate Course of the Insituto Nacional de Nutrición Salvador Zubiran
Mexico City, Mexico
- 2007 The management of ascites and renal dysfunction in cirrhosis / Invited Lecture
State of the Art Lecture, Cursus Klinische Hepatologie
Nederlandse Vereniging voor Hepatologie, Utrecht, Netherlands
- 2007 Current management of ascites and hyponatremia/ Invited Lecture
Colombian Association of Gastroenterology Meeting, Bogota, Colombia
- 2007 Endoscopic and medical management of acute variceal bleeding in cirrhosis
Invited Lecture
Colombian Association of Gastroenterology Meeting, Bogotá, Colombia
- 2007 Diagnosis, prevention and treatment of Hepatorenal Syndrome: Consensus of the International Ascites Club / Invited Lecture
Clinical Symposium on Management of Hepatorenal Syndrome
Ferring Pharmaceuticals, Shanghai, China
- 2007 Diagnosis, prevention and treatment of Hepatorenal Syndrome: Consensus of the International Ascites Club / Invited Lecture
Clinical Symposium on Management of Hepatorenal Syndrome

Ferring Pharmaceuticals, Guangzhou, China

- 2007 Is renal function one of the essential factors determining the outcomes of liver transplantation? / Invited Lecture
Hepatorenal Syndrome Symposium
Gastroenterology Society Taiwan (GEST) Congress, Taipei, Taiwan
- 2007 Spontaneous bacterial peritonitis, a disease of the gut? Therapeutic implications
Invited Speaker, Falk Symposium 162
II Falk- Gastro-Conference (part III)
Liver cirrhosis: From pathophysiology to disease management/ Dresden, Germany
- 2007 Pharmacological Therapy of Ascites / Invited Lecture
European Association for the Study of Liver Disease (EASL) School of Hepatology,
Barcelona, Spain
- 2008 Diagnostic approach to renal failure in cirrhosis /Invited Lecture
Single Topic Conference – Circulatory and renal failure in cirrhosis.
Mechanisms and emerging therapies
American Association for the Study of Liver Disease, Atlanta, GA
- 2008 Advanced ERCP: Hands-on Workshop / Invited Faculty
Boston International Live Endoscopy Course /Boston, MA
- 2008 Renal failure in cirrhosis: Diagnosis and Management/ Invited Lecture
State of the Art Lecture/ Gastrohepatology Department
Universidad de Antioquia, Medellín, Colombia
- 2009 Hepatorenal Syndrome/ Invited Lecture
29th International Symposium on Intensive Care and Emergency Medicine, Brussels,
Belgium
- 2009 Acute Variceal Bleeding / Invited Lecture
29th International Symposium on Intensive Care and Emergency Medicine, Brussels,
Belgium
- 2009 When to give albumin in liver failure/ Invited Lecture
29th International Symposium on Intensive Care and Emergency Medicine, Brussels,
Belgium
- 2009 Advanced ERCP: Hands-on Workshop/ Invited Faculty
Boston International Live Endoscopy Course Faculty, Boston, MA
- 2009 Gastric varices; Glue, Thrombin or TIPS/ Invited Lecture
Endoscopy and Liver Disease
American Society of Gastrointestinal Endoscopy and American Association for the Study
of Liver Disease (ASGE-AASLD) PG Course, Boston, MA
- 2009 Prevention and Management of Esophageal Variceal Hemorrhage/ Invited Lecture
Meet-the Professor Luncheon/ AASLD Post-Graduate Course, Boston, MA
- 2010 New endoscopic approaches in Hepatobiliary diseases/ Invited Lecture
Invited Course Faculty for EASL e-series of lectures, Vienna, Austria
- 2010 Athens Live Endoscopy Course/ Invited Faculty

Invited Course Faculty, Athens, Greece

- 2010 Advanced ERCP: Hands-on Workshop/ Invited Faculty
Boston International Live Endoscopy Course Faculty, Boston, MA
- 2010 Endoscopic Therapy for Gastric Varices / Invited Faculty
EASL School of Hepatology, Endoscopy and Liver Disease, Barcelona, Spain
- 2010 Endoscopic Therapy of Acute Variceal Bleeding/ Invited Faculty
EASL School of Hepatology, Endoscopy and Liver Disease, Barcelona, Spain
- 2010 Sphincterotomy Techniques: Fellows Course/ Invited Lecture
Boston International Live Endoscopy Course Faculty, Boston, MA
- 2010 Portal Hypertension, Endoscopy and Beyond/ Invited Lecture
Boston International Live Endoscopy Course Faculty, Boston, MA
- 2010 New diagnostic approaches to biliary stenosis/ Invited Faculty
2nd International Conference of Advances in Surgery, Barcelona, Spain
- 2011 New diagnostic approaches to biliary stenosis / Invited Lecture- Grand Rounds
Hospital Clinic, University of Barcelona
- 2012 Benign Biliary Strictures / Invited Lecture- GI Grand Rounds
Hospital Clinic, University of Barcelona
- 2012 Management of Ascites and Spontaneous Bacterial Peritonitis/ Invited Lecture
Early Morning Workshop
47th Annual Meeting of the European Association for the Study of Liver Disease
Barcelona, Spain
- 2012 Management of Hyponatremia in Cirrhosis/ Invited Lecture
V Hepatology Colombo Venezolano Congress
XXXIII Congreso Venezolano de Gastroenterología, Valencia, Venezuela
- 2012 Management of Gastric Varices in Cirrhosis/ Invited Lecture
V Hepatology Colombo Venezolano Congress
XXXIII Congreso Venezolano de Gastroenterología, Valencia, Venezuela
- 2012 Endoscopic therapy of gastric varices/ Invited Lecture
Gastroenterology Grand Rounds
Universidad de Antioquia School of Medicine, Medellin, Colombia
- 2012 Hyponatremia in cirrhosis/ Invited Lecture
Internal Medicine Grand Rounds, Hospital Pablo Tobon Uribe, Medellin, Colombia
- 2012 Biliary complications after liver transplantation/ Invited Lecture
Liver Transplant Grand Rounds, Hospital Pablo Tobon Uribe, Medellin, Colombia
- 2012 Advanced ERCP: Hands-on Workshop and Moderator of BILEC / Invited Lecture
Boston International Live Endoscopy Course Faculty, Boston MA
- 2012 Treatment of Portal Gastropathy and GAVE / Invited Lecture
Common Endoscopic Challenges in Patients with Advanced Liver Disease

- American Society of Gastrointestinal Endoscopy and American Association for the Study of Liver Disease (ASGE-AASLD) PG Course, Boston, MA
- 2012 Management of Biliary Complications after Liver Transplantation / Invited Lecture
6th International Wider-NOTES Meeting, Barcelona, Spain
- 2012 Hyponatremia and hepatorenal syndrome in cirrhosis/ Visiting Lecturer
Abteilung Innere Medizin II - Grand Rounds, Universitätsklinikum Freiburg
Freiburg, Germany
- 2013 Endoscopy and liver disease/ Early Morning Workshop - Invited Speaker
48th Annual Meeting of the European Association for the Study of Liver Disease
Amsterdam
- 2013 Acute Variceal Bleeding: Emphasis on Endoscopic Therapy
Invited Visiting Professor / Grand Rounds.
Baylor Annette C. and Harold C. Simmons Transplant Institute,
Baylor University Medical Center, Dallas, TX
- 2013 Hyponatremia in cirrhosis- Invited Professor
Professor Rounds/ Department of Medicine
Beth Israel Deaconess Medical Center, Boston, MA
- 2013 Variceal Bleeding: Endoscopy and Beyond
Invited Visiting Professor / GI Grand Rounds
Division of Gastroenterology, Hepatology and Nutrition
University of Virginia Commonwealth University, Richmond, Virginia
- 2013 Endoscopic therapy of achalasia- Invited Lecture
7th EuroNotes Workshop 19-20/09/2013
Barcelona, Spain
- 2014 Endoscopic therapy of achalasia / Lecture- GI Grand Rounds
Hospital Clinic, University of Barcelona
- 2014 Indeterminate stricture of the distal common bile duct
Boston Award- Best Cholangioscopy Video in Spain- Sponsored by Spanish Association
of Gastrointestinal Endoscopy and Boston Scientific Corporation-
Madrid, Spain. May 29, 2014
- 2014 Hyponatremia and Cirrhosis/ Invited Lecture
Internal Medicine Grand Rounds, Hospital Pablo Tobon Uribe,
Medellin, Colombia
- 2014 Treatment strategies for acute variceal bleeding / Invited Speaker
Post-Graduate Course – Clinical and Basic Concepts in Modern Hepatology
XXIII Congress of the Latin-American Association for the Study of the Liver (ALEH)
Cancun, Mexico
- 2014 Endoscopic therapy of Acute Variceal Bleeding / Invited Lecture
I Curso- Hepatología sobre el tratamiento del paciente cirrótico crítico
Hospital Clinic, Barcelona, Spain
- 2014 New Antiviral Agents for Hepatitis C and update in Liver Transplantation
Invited Lecture

- Best of DDW- Advances in Gastroenterology
American Gastroenterological Association & Saudi Gastroenterology Association
Jeddah, Saudi Arabia
- 2014 Complications of End-Stage Liver Disease, NASH and recent advances in Hepatocellular Carcinoma- Invited Lecture
Best of DDW- Advances in Gastroenterology
American Gastroenterological Association & Saudi Gastroenterology Association
Jeddah, Saudi Arabia
- 2014 New Antiviral Agents for Hepatitis C and update in Liver Transplantation
Invited Lecture
13th Saudi Gastroenterology Association Meeting-
American Gastroenterological Association & Saudi Gastroenterology Association
Al-Khobar, Saudi Arabia
- 2014 Complications of End-Stage Liver Disease, NASH and recent advances in Hepatocellular Carcinoma / Invited Lecture
13th Saudi Gastroenterology Association Meeting-
American Gastroenterological Association & Saudi Gastroenterology Association
Al-Khobar, Saudi Arabia
- 2015 Interventions in Portal Hypertension / Invited Faculty
Early Morning Workshop
EASL – International Liver Congress
Vienna, Austria
- 2015 Non-Invasive Diagnosis of Portal Hypertension / Invited Lecture
Best of EASL Symposium 2015
36th course of Advances in Gastroenterology
Chilean Gastroenterology Society
Santiago de Chile
- 2015 Endoscopic Management of Acute Variceal Bleeding / Invited Lecture
Emergencies in Gastroenterology Symposium
36th course of Advances in Gastroenterology
Chilean Gastroenterology Society
Santiago de Chile
- 2015 Renal failure in Cirrhosis / Invited Lecture
Emergencies in Gastroenterology - Symposium
36th course of Advances in Gastroenterology
Chilean Gastroenterology Society
Santiago de Chile
- 2015 Endoscopic therapy of Acute Variceal Bleeding / Invited Lecture
Management of Critically Ill Cirrhotic Patients
EASL School of Hepatology
Barcelona, Spain
- 2015 Pathophysiology of Portal Hypertension in Cirrhosis / Invited Lecture
Transplant Institute Research Meeting
Beth Israel Deaconess Medical Center and Harvard Medical School
Boston, MA

- 2016 Endoscopic Interventions in Liver Transplant Recipients / Invited Faculty
LeberTransplantationskurs 2016
Osterreichische Gesellschaft fur Gastroenterologie und Hepatologie
Arbeitsgruppe Hepatologie
Innsbruck, Austria
- 2016 Endoscopic Therapy of PSC. In whom, when and how? / Invited Faculty
41 Annual Meeting of AEEH (Asociación Española del Estudio del Hígado)
Madrid, Spain
- 2016 4th Endoscopy Workshop / Invited Faculty
Servicio De Gastreenterologia e Hepatologia
Hospital Da Santa Maria
Lisbon, Portugal
- 2016 Evaluation of Interventions in Liver Disease / Invited Faculty
Early Morning Workshop
EASL – International Liver Congress
Vienna, Austria
- 2016 Translating our current understanding of ascites management into new therapies for patients with cirrhosis and fluid retention / Invited Faculty
Falk Symposium 204
Clinical Hepatology Practice in 2016: From Science to Therapy
September 2-3, 2016
Birmingham, Great Britain
- 2016 Management of Portal Gastropathy and GAVE / Invited Speaker
XXIV Congress of the Latin-American Association for the Study of the Liver (ALEH)
Santiago de Chile
- 2016 How to Write a Manuscript / Invited Speaker
ALEH – AASLD Research Workshop
XXIV Congress of the Latin-American Association for the Study of the Liver (ALEH)
Santiago de Chile
- 2016 How to Present in Public / Invited Speaker
ALEH – AASLD Research Workshop
XXIV Congress of the Latin-American Association for the Study of the Liver (ALEH)
Santiago de Chile
- 2016 Two stage approach: ERCP and cholecystectomy for Common Duct Stones
Invited Speaker: Pro- Con Debate
XXIII Jornada de Cirugía als Hospitals de Catalunya
Granollers, Catalunya
- 2016 Hyponatremia In Cirrhosis: Causes and Consequences / Invited Speaker
Symposium: Complications of liver cirrhosis: Beyond bleeding and ascites
UEG Week Vienna 2016
Vienna, Austria
- 2016 Steroids for acute alcoholic hepatitis: Cure or curse?
Round Table Discussion: M. Thursz, A. Cardenas, H. Cortez-Pinto, G. Pár
UEG Week Vienna 2016
Vienna, Austria

- 2016 Endoscopic therapy of Acute Variceal Bleeding / Invited Lecture
II Curso- Hepatologia sobre el tratamiento del paciente cirrótico critico
Hospital Clinic, Barcelona, Spain
- 2017 Perspectives in the management of renal failure in cirrhosis / Invited Speaker
IX Congress of the Colombian Association of Hepatology
Medellin, Colombia
- 2017 Interventions in Portal Hypertension / Invited faculty
Early Morning Workshop
EASL – International Liver Congress
Amsterdam
- 2017 Adverse Events and the development of Acute on Chronic Liver Failure in patients with
cirrhosis undergoing Endoscopic Retrograde Cholangiopancreatography: A
retrospective, multicenter, case-control study.
DDW- Oral Presentation,
Parallel Session: Portal Hypertension and complications of cirrhosis.
May 7, 2017
- 2017 Endoscopic Therapy for Variceal Bleeding: Bands, Stents and Glue / Invited Lecture
AASLD / DDW Clinical Symposium: Medical and Surgical Treatments or Portal
Hypertension. May 9, 2017
- 2017 The Role ERCP in Patients with PSC / Invited Faculty
XVI Course of Advances in Hepatology
University of Malaga, Spain
- 2017 Acute on chronic liver failure: Impact of renal failure / Invited Speaker
XIX Congress of the Argentinian Association of Hepatology. June 28&29 2017
Buenos Aires, Argentina
- 2017 Primary Sclerosing Cholangitis: clinical and endoscopic management / Invited Speaker
XIX Congress of the Argentinian Association of Hepatology. June 28&29 2017
Buenos Aires, Argentina
- 2017 Refractory variceal bleeding in cirrhosis / Invited Speaker
XIX Congress of the Argentinian Association of Hepatology. June 28&29 2017
Buenos Aires, Argentina
- 2017 Acute Variceal Bleeding
Fellows Conference
Department of Medicine & Division of Gastroenterology
Beth Israel Deaconess Medical Center, Boston, MA
October 18, 2017
- 2017 Screening and Surveillance for Esophageal Varices: What's New in the Guidelines?
ASGE/AASLD Postgraduate Course-
Endoscopy and Advanced Liver Disease: Overcoming the Challenge.
Walter E. Washington Convention Center, Washington, DC, USA
Friday, October 20, 2017
- 2017 Management of Acute Variceal Bleeding
Hepatology - Grand Rounds
